**DECLARATION OF RICHARD ALAN HAASE**

My name is Richard Alan Haase. I am of sound mind, capable of making this Declaration and have personal knowledge of the facts stated herein.

1. I am the President of ClearValue Technologies, Inc. and the owner and inventor of U.S. Pat. Application No. 10/790,316.
2. I am the custodian of the patent files associated with this application and with the files associated with all applications of which this application claims priority. I am also the custodian of the business files for ClearValue, Inc., as well as those ClearValue Technology, Inc. associated with this application and with the files associated with all applications of which this application claims priority.
3. I was not aware of the Notice to Amend from the Publications Branch of the United States Patent and Trademark Office dated July 22, 2011 until on or about October of 2011. I learned of the Notice to Amend from the Public Pair System at [www.uspto.gov](http://www.uspto.gov).
4. I did not receive by U.S. Mail the Notice to Amend from the Publications Branch of the United States Patent and Trademark Office dated July 22, 2011.
5. I searched my records, including patent files, to ascertain if the Notice to Amend had been received. There is found no copy or record of the Notice to Amend in any of my files.

6. "At the correspondence address of record with the USPTO:
- i. Each day, all mail is placed in a master in-box located in center of the working area.
  - ii. All USPTO and foreign patent mail is immediately placed on the desk of Richard Alan Haase on the left side; wherein, each piece of mail is separated from one another; and wherein, Mr. Haase keeps in order of receipt until acted upon.
  - iii. In addition to placing on the desk of Richard Alan Haase, the docket of a patent application for an associated patent piece of mail is adjusted to indicate the piece of mail and required date of response. Between the patent file and the docket, the record includes, the application number, attorney docket number, the mail date of the Office action and the due date for the response
  - iv. After management of patent related mail, all business related mail is transferred from the master in-box to the desk in which responsibility of the business mail resides. Repeating, business related mail is handled AFTER patent related mail.
  - v. Once a piece of mail related to a patent matter is acted upon by Richard Alan Haase, the file and the docket for that patent matter are updated and filed."
7. I hereby declare that all statements made herein are of my own knowledge are true and that all statements made on information and belief are believed to be true; and further these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent issued thereon.
